## Message From Our Chairperson

Tshwane North Outreach is very fortunate to receive so much support from people and organisations. Every donation, contribution and help are greatly appreciated. Due to this support, we could meet the needs of many people in the various communities.

May your 2020 be an extraordinary one!

Dr. Frieda Smalberger

## More About Us

Tshwane North Outreach (TNO) is a registered non-profit organisation with an approved constitution and effective management. Donors enjoy tax benefits under section 18A of the Income Tax Act, 1962

We focus on community development, but increasing poverty in the area requires much attention to material support.

The project is involved in the following:

- Daily provision of a cooked lunch for about 150 children
- Supply of vegetables donated on Fridays
- Regular beneficiary food parcels - approximately 2400 annually
- 5280 loaves of bread distributed annually
- Approximately 2000 sets of clothing received as donations were provided
- Provision of school clothes
- Blankets - especially in winter
- Youth Outreach consisting of 50 youths gathering on Friday evenings
- An Independent Women's Agricultural Union branch (VLU) is very active. Many of the members generate income through the skills they learnt.

A big thank you to everyone involved for the wonderful day with our children in celebrating the Christmas season. The children enjoyed every second. Thank you for the gifts, the treats and the wonderful surprises throughout the day.

## Suikerbekkie Grade RR & R Group

Thank you to everyone who donated towards the Grade R children who graduated to Grade 1. We provided them with uniforms, schoolbags, stationery, treats and included hand knitted teddy bears. This year we started with 26 children and we wish them and the Teacher, Nonnie de Klerk all the best.
